Creative Curriculum Corner

Teaching Strategies GOLD Objectives for Development & Learning

This month's objective will focus on: 17b- uses print concepts

When children learn about this objective, they learn the beginning foundations of how to read. When children are exposed to books, printed words and pictures, they learn the basic importance of print and how it can be read. Even children as young as 6 months can learn to touch and hold books which begins to expand their knowledge of print and text.
